# mechanical repair coverage

### Congratulations!

Your vehicle is covered with MEMBER'S CHOICE® Mechanical Repair Coverage.

### Expect the Unexpected

You can't choose when your vehicle breaks down, but you can choose to lessen your financial burden and inconvenience when it does. MEMBER'S CHOICE® Mechanical Repair Coverage pays for covered repairs (cost of parts and labor) on your vehicle when unexpected breakdowns occur.

### It's Your Choice

You know how long you want to keep your car, how many miles you plan to drive it, plus your other driving habits. It only makes sense that you choose the mechanical repair plan and terms of protection that are right for you without having to revert to "mile zero" or the "in-service" date on your vehicle. In addition, you may purchase your coverage at any time as long as your vehicle is 10 years old or newer with 100,000 miles or less. Once you select your plan, you're immediately covered.

### Experience MEMBER'S CHOICE® Mechanical Repair Coverage for 30 Days\*

Immediately upon enrollment into your plan-of-choice, your vehicle is covered if an unexpected breakdown occurs. During the first 30 days, if you wish to cancel your Mechanical Repair Coverage, you may. If you choose to continue MEMBER'S CHOICE® Mechanical Repair Coverage, there is no need to contact us. Your coverage will simply continue with no interruptions.

We encourage you to maintain this valuable coverage, but if you choose to discontinue within 30 days of your enrollment, there is no cancellation fee. Simply complete the section below, place it in an envelope, and mail to MEMBER'S CHOICE® Services. If the envelope is postmarked within 30 days of your enrollment date, we're happy to refund your Mechanical Repair Coverage fee.

\*Some states allow more than 30 days to experience the product, however, cancellation fees may apply. Check with your financial institution.
