Give Back and Go Green!

On Friday, June 13th Chartway will give back to the environment by partnering with Shred-It to provide free shredding services open to the public between 12:00 p.m. – 2:00 p.m.

Bring all those important documents that you've been meaning to shred! The event will kick off at 12:00 p.m. and will include a cookout, live music broadcast by US 106.1, and a plant sale supporting the We Promise Foundation and CARE. The Board of Directors will be planting two trees in honor of the Chartway departments that have had the highest reduction of paper use. Members and their families are welcome to attend this fantastic event.

The logo for the National Credit Union Administration (NCUA) is located in the bottom right corner. It consists of the letters "NCUA" in a bold, sans-serif font, enclosed within a rectangular border. Above the letters, there is a line of very small text that reads "The National Credit Union Administration".
