Press release courtesy of Energage

Virginia Beach, VA (August 11, 2025) – [Chartway Credit Union](#) has been named a Top Workplace by Hampton Roads Top Workplaces 2025 and *Inside Business* for the seventh year in a row. The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#). The confidential survey uniquely measures the employee experience and its component themes, including employees feeling respected & supported, enabled to grow, and empowered to execute, to name a few.

"To be recognized for seven straight years as a top workplace in Hampton Roads speaks to the strength of our culture and the dedication of our team members," said Brian Schools, Chartway president & CEO. "We're proud to foster a purpose-driven culture where our team members feel connected, empowered, and inspired to make a difference for our members and communities every day."

"Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees," said Eric Rubino, Energage CEO. "That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends."

In addition to earning the 2025 Inside Business Top Workplaces award, Chartway received the 2025 Top Workplaces USA Award, 2025 Top Workplaces Culture Excellence Award for Innovation, and 2025 Top Workplaces Industry Award for Financial Services. In 2024, the credit union was also recognized with a fifth consecutive Salt Lake Tribune Top Workplaces Award in Utah and Top Workplaces Culture Excellence Awards, recognizing employee appreciation and well-being, innovation, leadership, and purpose & values.
