

Home Equity Early Disclosure

IMPORTANT TERMS OF OUR HOME EQUITY LINE OF CREDIT PLAN

This disclosure contains important information about our Home Equity Line of Credit Plan. You should read it carefully and keep a copy for your records.

AVAILABILITY OF TERMS: All of the terms described below are subject to change. If these terms change (other than the annual percentage rate) and you decide, as a result, not to enter into an agreement with us, you are entitled to a refund of any fees that you pay to us or anyone else in connection with your application.

SECURITY INTEREST: We will take a security interest in your home. You could lose your home if you do not meet the obligations in your agreement with us.

POSSIBLE ACTIONS: We can terminate your line, require you to pay us the entire outstanding balance in one payment, and charge you certain fees, if

For Wisconsin Borrowers Only: (1) you fail to make a required payment when due two times within a twelve month period, or (2) your failure to observe the terms of this plan materially impairs the condition, value or protection of, or our rights in, the property securing this plan.

For All Other Borrowers: (1) you engage in fraud or material misrepresentation in connection with the plan; (2) you do not meet the repayment terms of this plan, or (3) your action or inaction adversely affects the collateral or our rights in the collateral.

We can refuse to make additional extensions of credit or reduce your credit limit if (1) any reasons mentioned above exist; (2) the value of the dwelling securing the line declines significantly below its appraised value for purposes of the line; (3) we reasonably believe that you will not be able to meet the repayment requirements due to a material change in your financial circumstances; (4) you are in default of a material obligation of the agreement; (5) government action prevents us from imposing the annual percentage rate provided for in the agreement; (6) the priority of our security interest is adversely affected by government action to the extent that the value of the security interest is less than 120 percent of the credit line; (7) a regulatory agency has notified us that continued advances would constitute an unsafe and unsound business practice; (8) the maximum annual percentage rate is reached, or (9) For Wisconsin Borrowers Only: you engage in fraud or material misrepresentation in connection with this plan.

MINIMUM PAYMENT REQUIREMENTS: You can obtain credit advances for 15 years. This period is called the "draw period." At our option, we may renew or extend the draw period. The length of the repayment period will depend on the outstanding balance at the end of the draw period and changes in the interest rate, if applicable, but will never be greater than 15 years. During the draw period your monthly payment will equal the finance charges (interest) that accrued on the outstanding balance during the preceding month. Your payment will include any amounts past due and any amount by which you have exceeded your credit limit, and all other charges. At the beginning of

therepayment period we will recalculate your payment. Your payment will be set to repay the balance at the current annual percentage rate over 15 years. Each time the annual percentage rate changes, we will adjust your payment to repay the balance within the original 15 years. Your payment will include any amounts past due and any amount by which you have exceeded your credit limit and all other charges.

MINIMUM PAYMENT EXAMPLE: If you made only the minimum monthly payment and took no other credit advances it would take 30 years to pay off a credit advance of \$10,000 at an **ANNUAL PERCENTAGE RATE** of 8.0%. During that period, you would make 180 payments of \$61.37 to \$67.95, followed by 179 payments of \$95.60 and one (1) final payment of \$92.35.

FEES AND CHARGES: In order to open, use and maintain a line of credit plan, you must pay the following fees to us:

Origination Fee: 1.0% of your credit limit (Due at closing) This is a **FINANCE CHARGE**.

You must pay certain fees to third parties to open the plan. These fees generally total between \$300.00 and \$850.00. If you ask, we will provide you with an itemization of the fees you will have to pay third parties.

FEE REIMBURSEMENT: The credit union may pay third party fees on your behalf. If we do, and you close your line of credit within 2 years of the opening date, you will be required to reimburse the credit union for bona fide third party fees paid on your behalf as permitted by applicable law.

PROPERTY INSURANCE: You must carry insurance on the property that secures this plan. If the property is located in a Special Flood Hazard Area we will require you to obtain flood insurance if it is available. The following notice is required by New York law. You are required to obtain property insurance on the property that is security for your mortgage loan. We cannot require you to obtain an insurance policy in excess of the replacement cost of the improvements on the property securing the loan.

REFUNDABILITY OF FEES: If you decide not to enter into this plan within three business days of receiving this disclosure and the home equity brochure, you are entitled to a refund of any fee you may have already paid.

TAX DEDUCTIBILITY: You should consult a tax advisor regarding the deductibility of interest and charges for the plan.

ADDITIONAL HOME EQUITY PLANS: Please ask us about our other available home equity line of credit plans.

VARIABLE RATE FEATURE: This plan has a variable rate feature and the annual percentage rate (corresponding to the periodic rate) and the minimum payment may change as a result. The annual percentage rate includes only interest and no other costs. The annual percentage rate is based on the value of an index. The index is the Prime Rate published in the Money Rates column of *The Wall Street Journal*. When a range

of rates has been published the highest rate will be used. We will use the most recent index value available to us as of 10 days before the date of any annual percentage rate adjustment. To determine the annual percentage rate that will apply to your account, we add a margin to the value of the Index. If the rate is not already rounded we then round up to the next 0.25%. Ask us for the current index value, margin and annual percentage rate. After you open a plan, rate information will be provided on periodic statements that we send you.

RATE CHANGES: The annual percentage rate can change on the first day of each month. There is no limit on the amount by which the annual percentage rate can change during any one year period. The maximum **ANNUAL PERCENTAGE RATE** that can apply is 18.0% or the maximum permitted by law, whichever is less. However, under no circumstances will your **ANNUAL PERCENTAGE RATE** go below 3.5% at any time during the term of the plan.

MAXIMUM RATE AND PAYMENT EXAMPLES: If you had an outstanding balance of \$10,000 during the draw period, the minimum payment at the maximum **ANNUAL PERCENTAGE RATE** of 18.0% would be \$152.88. This annual percentage rate could be reached at the time of the 1st payment. If you had an outstanding balance of \$10,000 during the repayment period, the minimum payment at the maximum **ANNUAL PERCENTAGE RATE** of 18.0% would be \$161.05. This annual percentage rate could be reached at the time of the 1st payment.

FIXED RATE OPTION: This Plan has a fixed rate option (the "option"). At any time during the draw period you may convert the interest rate on an advance/balance to a fixed rate until it is repaid. You may exercise the option for up to two amounts at any one time. Each option must be exercised for an amount of at least \$2,500.00. A \$125.00 fee applies to each fixed rate option. This fee is a **FINANCE CHARGE**.

When you exercise the option, the fixed rate will be based on The Wall Street Journal Prime Rate in effect on the date you elect the fixed rate option, plus a margin. The margin will be disclosed at the time you elect the option. You may contact us for the current prime rate value, margin and fixed annual percentage rate.

When you elect the option, you will elect a payoff period of 60, 120 or 180 months. Your payment will be set to repay the amount, at the applicable fixed rate, within the payoff period selected or the number of months remaining to the maturity date of your Plan, whichever is sooner. Your minimum payment will be calculated separately from the minimum payment on your variable rate, and the other fixed rate options you may have. Your payment will include all amounts past due and all other charges.

You may not exercise the option if your credit limit will be exceeded. Your credit limit will apply to the combined total of all amounts owing under the Plan. All future advances will be at the current variable rate according to the terms disclosed above, unless another option is exercised.

HISTORICAL EXAMPLE: The following table shows how the annual percentage rate and the minimum payments for a single \$10,000 credit advance would have changed based on changes in the index over the past 15 years. The index values are as of the last business day of January of each year. While only one payment per year is shown, payments may have varied during each year. The table assumes that no additional credit advances were taken, that only the minimum payments were made, and that the rate remained constant during each year. It does not necessarily indicate how the index or your payments will change in the future.

WALL STREET JOURNAL PRIME RATE INDEX TABLE

Year (as of the last business day of January)	Index (Percent)	Margin ⁽¹⁾ (Percent)	ANNUAL PERCENTAGE RATE	Monthly Payment (Dollars)
2011..... ...	3.250	0.500	3.750	\$31.85
2012..... ...	3.250	0.500	3.750	\$31.85
2013..... ...	3.250	0.500	3.750	\$31.85
2014..... ...	3.250	0.500	3.750	\$31.85
2015..... ...	3.250	0.500	3.750	\$31.85
2016..... ...	3.500	0.500	4.000	\$33.97

⁽¹⁾ This is a margin we have used recently; your margin may be different.
